

Year 3's Egyptian Exhibition.

Tuesday 6th December 2022

2:15pm onwards

Dear Parents and Carers,

Year 3 would like to invite you to our Egyptian Exhibition. We have worked really hard to create lots of different artefacts such as Bastet cats, scarab beetles and clay pots!

Please sign in at reception. You will have the opportunity to visit the museum and visit your child in their class to complete an activity.

We hope you enjoy your visit.

Thank you for your help and support in creating such impressive artefacts at home!

Please note: As we have around 450 artefacts on display, it will not be possible to name each individual piece but your child will hopefully be able to point out their work and they will of course bring it home after the exhibition.
