Dear Parents and Carers,

RE: Year 4 Harvest Festival Performance

We are delighted to announce that the Year 4 children will be putting on a year group performance to celebrate harvest festival. This year's performance will be titled 'Bumper Harvest'. This event is particularly exciting because it will be the first show of this academic year!

This week your child will be informed about their role in the performance. Should your child have been allocated a specific part, they will come home with details of the role they are playing and some suggested simple ideas for costumes. Please do not feel the need to purchase anything expensive; having your child be part of the performance is much more important.

We are pleased to be able to invite you to come and watch your children perform on **Friday 14th October**. In order to accommodate as many parents as possible, we are putting on two separate performances. All children will perform in both time slots. To try to ensure that there are even numbers in the audiences, we would ask that you attend the performance according to your child's class:

Performance 1: **10:00** for parents/carers of children in **4BW & 4LW**

Performance 2: **2:15** for parents/carers of children in **4R & 4N**

No booking of tickets is required for this event.

The performance will take place in the school hall. Please arrive promptly. Staff will be available to see you up to the hall on the day. We look forward to welcoming you to this special event.
