

Craneswater Junior School Action Plan 2019-20

Vison statement: To create an environment where every child, through self-development, healthy competition and co-operative learning, can fulfil their potential.

What is PE and Sport Premium?

The Government has allocated extra funding to primary schools during the year 2019-2020 to make **additional and sustainable** improvements to the quality of Physical Education and Sport that is on offer. The funding is provided jointly by the Departments for Education, Health and Culture, Media and Sport and aims to improve and develop children's healthy lifestyles.

How can the funding be used?

- To develop or add to the PE and sporting activities already on offer
- To develop the skills and confidence of teachers
- To increase the participation in competitive sport
- To support and involve the least active children in PE and sports

How much PE and Sport Premium will we receive?

Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil.

In 2019-2020, we will receive £21,264

How will we be spending our funding this year?

Please see the table below to see how our children will benefit from the PE and Sport Premium this year.
