

Two Ways to upload your pictures and documents straight from your computer or ipad:

1)

Upload directly onto your 2do from your computer or iPad:

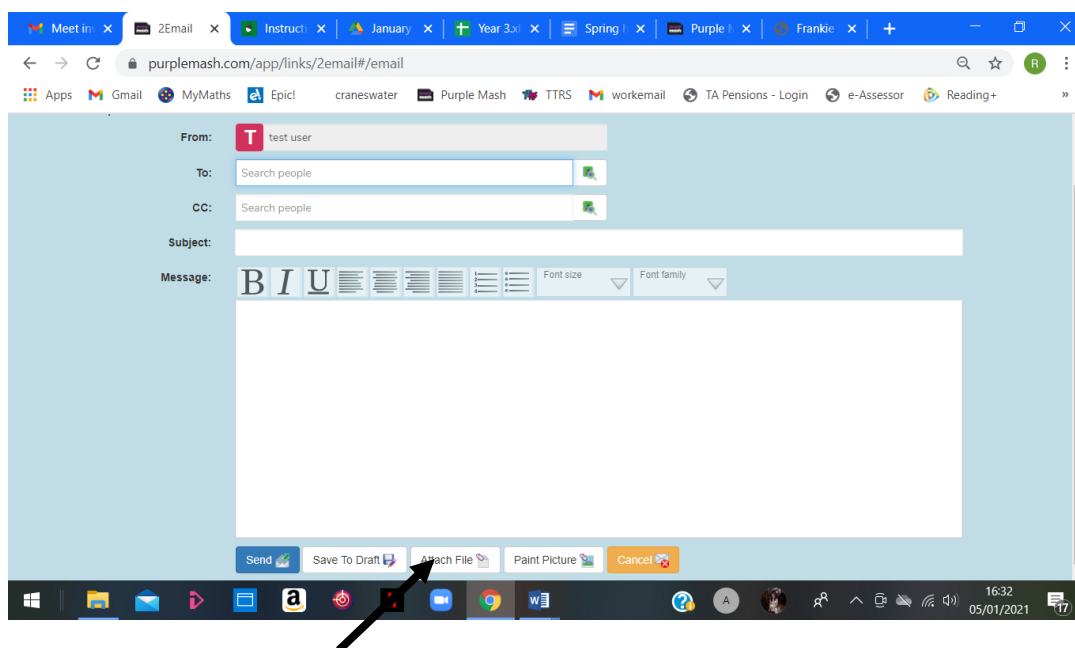

Click upload work.

Browse to find the file/picture and click choose.

Next click hand in and leave a note for your teacher as normal.

2)

You can also attach your file to an email to your teacher by opening a new email and clicking compose.

Attach a file from your computer/ipad.

Click attach file and then click from your PC.

Click choose to attach to the email.

Send your email as normal.
